## **BABY PARTNERSHIPS**

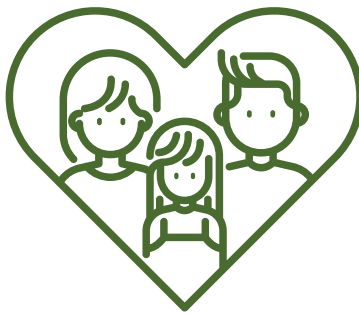

The Welcome Baby Partnership is such a fun, easy way to get involved with our refugee population here in Tucson. We have the world at our doorstep and we have the opportunity to do as Jesus suggested - to love our neighbor as ourself.

Best of all, you may wind up making a lifelong friend in the process. Together we can make a difference in the lives of those we partner with.

Please join us in creating an atmosphere of acceptance for those who are important to God by gathering a few friends to visit and host a Welcome Baby Partnership.

If you have a willing heart, we can help you take that step forward. By taking that one step, it's easier to take the second. This is such a rewarding experience with our refugee neighbors, and they have so much to teach us as well.

We are here to walk the road with you. We can live out the great commission for ourselves by getting to know our international neighbors.
