CONNECTING TO REFUGEES

Connecting the Church with their newest neighbors.

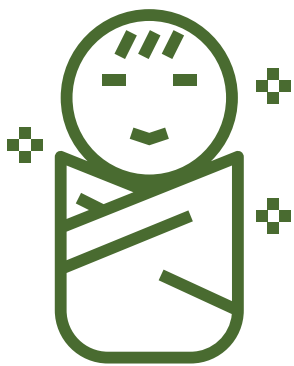

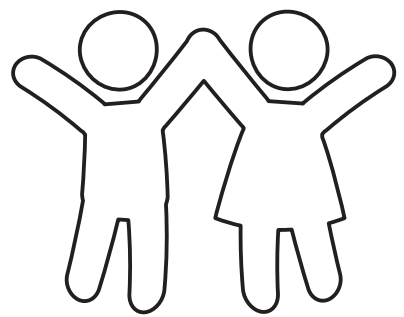

Collaborating with agencies, churches, ministries and community partners.

Cultivating transformative cross-cultural relationships with refugees.

Communicating the facts, faces and stories of our newest neighbors.

YOUTH OUTREACH

Develop lasting relationships with families and kids. Join us for weekly play dates, fun excursions, block parties, special events, or our annual International Kids Kamp.

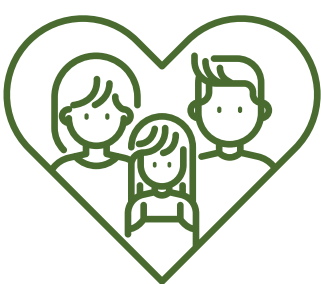

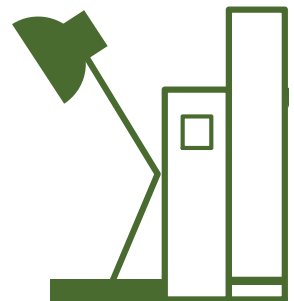

BABY PARTNERSHIPS

Attend a training, go with a TRM representative to meet your refugee mama, make regular visits to their home, help them get to doctor appointments, partner with diaper banks, throw a baby shower, be a faithful friend and help this mother-to-be feel loved and cared for in the days leading up to the baby.

PRACTICAL SKILLS

We have programs that focus on teaching practical skills including English classes for men and women, tutoring for kids and adults, assistance with citizenship tests, job skills, and more!

FAMILY PARTNERSHIPS

Can you imagine coming to a new place and feeling alone? Many of our newest neighbors feel that way. We partner families to walk along side and develop relationships with our refugee families.

AIRPORT WELCOMES

This on-call group of volunteers have the privilege of greeting new neighbors at the airport as they arrive in Tucson. You can shower new arrivals with lots of fanfare and joy as they begin their new journey here!

PRAY. VOLUNTEER. GIVE.

TRAUMA GROUPS

Our refugee youth and adults have been through layers of trauma having run from their homeland and resettled into an unknown country, language, and culture. Our trauma care program seeks to build community, conversations and skills to cope with the past in order to thrive in the future. Developed by professionals in the field, this 8 week curriculum helps people deal with their own trauma, recognize trauma in others and how to help their children cope on their way to resilience from traumatic situations.

ARRIVE & THRIVE

Volunteers can help this partner agency as Navigators, Teachers, and Business Coaches to offer vocational support, financial training, career building resources, and interest-free micro-loans for business start-ups and other entrepreneurial opportunities.

COMMUNITY CENTER

Building Bridges Community Center (BBCC) was established March of 2022 as a safe space to develop community and meet needs of our international community. There are currently several programs, a coffee shop and meeting space available for those that are working with our newest International neighbors. Visit our website: www.buildingbridgestucson.com

REFUGEE 101

Our Refugee 101 online course is free to potential volunteers or anyone wanting to find out more about refugee resettlement. You will learn about important issues such as the resettlement process, country overviews, culture, communication, and volunteer opportunities. Completion does not obligate you to volunteer.

VOLUNTEER TRAINING

Refugee 201 trainings (orientation) are for those who have already attended the 101. Hear about volunteer opportunities with TRM, go deeper as we explore and discuss the implications of refugee resettlement, and talk about the role of the Church as it relates to refugees whom God has brought to our doorstep. This training is required for any new TRM volunteer.

HOW TO GET INVOLVED

We will provide training and assistance to plug you into a partnership that best suits you! Simply contact us through our website!
